## **Non-Academic Experience**

### **National**

Owner of Rental Residence (2015 – Present), Spokane, Washington. Keep the books, pay taxes and provide for maintenance.

Owner/Operator, Gambill Farm (1993 - Present), Colbert, Washington. Manage farm, keep books, pay taxes, and manage rentals

Deputy Commander for Resources, United States Air Force (1978 - 1988), Various, Spain. Duty involved being in charge of a base and then a wing comptroller and to ensure government appropriations were being spent in accordance with the governing directives. This also required me to oversee the submission of the base and wing budgets to either the wing or to the numbered Air Force. I also supervised over 300 people working in the base supply/fuels function making sure parts were available and keeping track of the amount of aviation fuel being used. Also responsible for the transportation squadron and the base contracting office.

Plans and Programs Officer at the Air Force Logistics Command, United States Air Force (1974 - 1977), Various, United States of America. Duties included establishing a forecasting model for justifying the nine billion dollars the Air Force was requesting for replenishment spares for Air Force weapon system.

Division Chief - Hughes Air force Plane Representative Office, United States Air Force (1972 - 1974), Culver City, California. Responsible for evaluating the Hughes Aircraft Company's yearly overhead submission of approximately one billion dollars and then negotiating a forward pricing rate agreement with each division.

USAF Auditor, United States Air Force (1963 - 1972), Various, United States of America. Included assignment as Resident Liaison Auditor at the USAF Academy. I was responsible for auditing all appropriated and non-appropriated fund activities at the base/wing/numbered Air Force level. I was also responsible for auditing the upgrading of three base supply accounts to a more sophisticated computer system.
